# GET READY FOR THE SCHOOL YEAR

*Join His Little Feet's Mission to Empower  
Children for a Successful School Year!*

---

We are thrilled to announce our upcoming Back to School Events! His Little Feet will be serving over 500 children this summer before they head back to school. His Little Feet is celebrating its 11th year milestone by continuing to make an impact in the community through their dedication to giving back to those desperately in need. These events aim to provide children in need with the shoes they require for a successful and confident school year. We firmly believe that every child deserves a fair chance at education and a positive school experience, and adequate footwear plays a crucial role in achieving these goals.

Our Back to School Event is more than just shoes; it is a gathering of our community members who are passionate about making a difference in the lives of children. We need your help to make this possible. We would be honored to have you, your organization, business, staff, or church participate, **volunteer, donate**, or even consider **sponsoring** these events. We are looking for volunteers to gather backpacks, school supplies, and other needed resources for the community. By joining hands, we can create a lasting impact on the lives of these young students and help them start the academic year on the right foot.

We kindly request you to consider joining us in our efforts to make these events a success. Your presence and support will make a lasting impact on the lives of these children and their families. We truly value your involvement and believe that your commitment to this cause will inspire others to follow.

Thank you for your time and consideration. We look forward to partnering with you and creating a brighter future for the children in our community.
